

Payment of Refunds Important Information:

If you leave before the course is due to finish, you are required to return your Student ID Card. It is the property of the college and a refund **will not be issued** without returning your card.

Please be aware that refund of any monies will not be immediate. Requests will be processed in a timely manner but are subject to Cork ETB head office authorisation process and bank processing timings.

Students are only entitled to a refund of the QQI and PLC Government Fee if they hold a full medical card in their own name. The cut-off point for the medical card refund is **the last day of term in September**.

Students who pay fees by cash/cheque are refunded by cheque. Refund cheques are printed by Cork ETB head office and may take up to 3 weeks. Refund cheques are posted to the home address on file in the college.

Students who pay fees by debit/credit card are refunded back on to the original payment card used. In most cases, the student receives the refund within 5-10 working days. Debit/credit card refunds can only be processed within 6 months from the date payment was taken. After this time, a cheque refund must be issued.

See below scale applied to requests for refunds:

Situation:	Refund:
Offer of a place on course is accepted & fees paid & then student informs college before classes commence that s/he is not taking up their place	Full amount of fees paid
Offer of a place on course is accepted & fees paid & then student informs college before 30th September that s/he is not proceeding with their participation	Fees paid less €50 from Student Services payment Less cost of any materials ordered/given Less any exam fees remitted to exam body
Student accepts a place and commences on course but leaves after 30th September	No refund except for any exam fees that have not been remitted to exam body
